

The Channel range uses robust 'industrial' materials refined into quality furniture. Every part of every piece of Channel furniture is functional, with careful consideration of proportion and form. The range is characterised by a strong linear element, with benches and seats resting on angled legs, creating the illusion of floating.

PRODUCT CODE	DESCRIPTION	L (mm)	D (mm)	H (mm)
CHL06-A-MS-G-SS-E	Channel DRINKING FOUNTAIN / mild steel galvanised frame / stainless steel electro polished top	1075	170	1110
